Board Policy Implementation

Effective Date of Policies

All new or amended policies will become effective on the day after adoption by the Board, unless a specific date is included in the motion for adoption.

Policy Implementation

The Superintendent and administrative staff will implement Board policies. The Superintendent may formulate administrative regulations to assist policy implementation.

It will be the Board's duty to evaluate the effectiveness of the policy and the effectiveness of the administration's implementation of the policy.

Policy Dissemination

The written policies that govern the ESD will be maintained in an electronic policy manual to be updated by ESD staff as new policies are developed or existing policies are revised or repealed. The ESD policies will be accessible to Board Members, staff and the public via the ESD public website. Access to the website will be made available for those that do not have internet access at the ESD's main office in Albany, OR. The Board's policy manual will be considered a public record.

The Superintendent will provide for disseminating policies as appropriate.
