

Dealing with Winning

1. If you win a game, you can also win a friend if you show good sportsmanship.

2. “Sportsmanship” means:
 - a. Do not brag or show off that you won. This makes others feel bad.
 - b. Say, “Good game.”
 - c. If others are upset because they lost, remind them that it is only a game and that they might win next time.

No Bragging or Teasing

Say, “Good game”

“It’s just a game”
