RE: Parent Assurance Form for GED Authorization Packet for Home School Students

Dear Parent:

For information about GED please contact www.ged.com and your local community college.

This Parent Assurance form is part of the GED Authorization Packet, which your student is required to take to the GED testing center before any GED tests can be given. Prior to taking any GED test, home school students wishing to take GED testing:

1. Must be at least 16 years of age; *and*
2. Must obtain a GED Authorization Packet from LBL; *and*
3. Must provide the GED Authorization Packet to the GED testing site.

To use this form your student must first be enrolled with LBL as a Home School Student. To enroll in home school, please complete and return a home school notification form for each student. This form is available on our website www.lblesd.k12.or.us/homeschool/notification/ or from our office.

Please complete the top portion of the attached Parent Assurance Form, and then return it to our office for verification. **OR** You may complete this form through our website and submit it online - www.lblesd.k12.or.us/homeschool/high-school-students/ged-option-program/

Please allow one week for processing. We will return the completed form back to you in a GED Authorization Packet, which your student is required to take to the GED testing center before any GED tests can be given.

GED Authorization packet will be returned to you by mail unless you make other arrangements with our office.

Many GED testing centers require the GED Authorization Packet to be complete before a student may take GED preparation classes. A new GED Authorization packet will need to be submitted each academic year.

If you have any other questions, please contact our office at 541-812-2751 or homeschool@lblsd.k12.or.us.

Sincerely,

A handwritten signature in cursive script that reads "Ann Lavond".

Ann Lavond, Program Administrator, Student and Family Support Services
