

Want to Do Summer or Year-round Tutoring?

Linn Benton Lincoln ESD compiles a tutor list as a referral source for districts and parents. The list includes local educators that parents may call to provide tutoring for any subject. LBL does not screen the tutors, this resource is provided for information only. Parents are responsible for making all the arrangements (time, place, fees, etc.) directly with the tutor.

If you are a licensed or non-licensed person who is interested in being included on the tutor list, please complete and return the following information to Kathy Williams, Student and Family Services, Linn Benton Lincoln ESD, kathy.williams@lblead.k12.or.us, fax 541-926-6047.

Please note, this tutor list will only be available on the LBL Website.
