Code: **ACB**

All Students Belong

The ESD is committed to the equity and the success of every student we serve. This commitment means we focus on serving and supporting students and districts in attaining student outcomes that are not predicted by student demographics.

All students are entitled to a high quality educational experience, free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

All employees are entitled to work in an environment that is free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

All visitors are entitled to participate in an environment that is free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

“Bias incident” means a person’s hostile expression of animus toward another person, relating to the other person’s perceived race, color, religion, gender identity, sexual orientation, disability or national origin, of which criminal investigation or prosecution is impossible or inappropriate. Bias incidents may include derogatory language or behavior directed at or about any of the preceding demographic groups.

“Symbol of hate” means a symbol, image, or object that expresses animus on the basis of race, color, religion, gender identity, sexual orientation, disability or national origin including, the noose, swastika, or confederate flag¹, and whose display:

1. Is reasonably likely to cause a substantial disruption of or material interference with educational activities; or
2. Is reasonably likely to interfere with the rights of students by denying them full access to the services, activities, and opportunities offered by the ESD or school district the ESD serves.

The ESD prohibits the use or display of any symbols of hate on ESD property or schools while on duty servicing other districts or agencies or at school-sponsored events.

In responding to the use of any symbols of hate, the ESD will use non-disciplinary remedial action whenever appropriate.

The ESD prohibits retaliation against an individual because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing; and further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising any rights guaranteed under state and federal law.

¹ While commonly referred to as the “confederate flag,” the official name of the prohibited flag is the Battle Flag of the Armies of Northern Virginia.

Nothing in this policy is intended to interfere with the lawful use of ESD facilities pursuant to a lease or license.

The ESD will use administrative regulation ACB-AR - Bias Incident Complaint Procedure to process reports or complaints of bias incidents.
