Safe Return to In-Person Instruction and Continuity of Services Plan

In order to best support students and families with the safest possible return to school for the 2021 school year, the Oregon Department of Education (ODE) has created an operational plan template to align guidance from the federal and state level in support of local decision-making and transparency of health and safety measures in the communities that school districts serve. The Safe Return to In-Person Instruction and Continuity of Services Plan serves the following purposes:

- 1) Replaces the Ready Schools, Safe Learners Operational Blueprint required under [Executive Order 21-06](#); and
- 2) Meets the requirements for:
 - a. An operational plan required under [OAR 581-022-0106\(4\)](#), while aligning the [CDC Guidance](#) on School Reopening with the [Ready Schools, Safe Learners Resiliency Framework for the 2021-22 School Year](#) (RSSL Resiliency Framework);
 - b. [Section 2001\(i\)\(1\)](#) of the ARP ESSER and the US Department of Education's [Interim Final Requirements](#) for Safe Return/Continuity of Services Plan; and
 - c. Communicable Disease Plan and Isolation Plan under [OAR 581-022-2220](#) (Division 22 requirements).

As districts plan and implement the recommendations in ODE's RSSL Resiliency Framework, they will need to consider a continuum of risk levels when all recommendations cannot be fully implemented. For example, universal correct wearing of face coverings between people is one of the most effective preventive measures. However, there will be times when this is not possible based on a specific interaction or a physical space limitation, such as during meal times. It will be necessary to consider and balance the mitigation strategies described to best protect health and safety while ensuring full time in person learning.

ODE remains committed to the guiding principles introduced in spring of 2020 to generate collective action and leadership for efforts to respond to COVID-19 across Oregon. These principles are updated to reflect the current context:

- **Ensure safety and wellness.** Prioritizing basic needs such as food, shelter, wellness, supportive relationships and support for mental, social, and emotional health of students and staff.
- **Center health and well-being.** Acknowledging the health and mental health impacts of this past year, commit to creating learning opportunities that foster creative expression, make space for reflection and connection, and center on the needs of the whole child rather than solely emphasizing academic achievement.

- **Cultivate connection and relationship.** Reconnecting with one another after a year of separation can occur through quality learning experiences and deep interpersonal relationships among families, students and staff.
- **Prioritize equity.** Recognize the disproportionate impact of COVID-19 on Black, American Indian/Alaska Native, and Latino/a/x, Pacific Islander communities; students experiencing disabilities; students living in rural areas; and students and families navigating poverty and houselessness. Apply an equity-informed, anti-racist, and anti-oppressive lens to promote culturally sustaining and revitalizing educational systems that support every child.
- **Innovate.** Returning to school is an opportunity to improve teaching and learning by iterating on new instructional strategies, rethinking learning environments, and investing in creative approaches to address unfinished learning.

Mental Health Needs

ARP ESSER & OAR 581-022-0106 Component	Extent to which district has adopted policies and description of policies adopted to ensure continuity of services	How do adopted policies reflect RSSL guiding principles?
Devote time for students and staff to connect and build relationships		
Ample class time, and private time if needed, for creative opportunities that allow students and staff to explore and process their experiences		

ARP ESSER & OAR 581-022-0106 Component	Extent to which district has adopted policies and description of policies adopted to ensure continuity of services	How do adopted policies reflect RSSL guiding principles?
Link staff, students and families with culturally relevant health and mental health services and supports		
Foster peer/student lead initiatives on wellbeing and mental health		

Communicable Disease Management Plan

Please provide a link to the district’s **communicable disease management plan** that describes measures put in place to limit the spread of COVID-19 within school settings. ([OAR 581-022-2220](#)). The advised components of the plan and additional information are found on pages 20 and 21 of the [RSSL Resiliency Framework](#) and meet the ESSER process requirements of “coordination with local public health authorities.”

ARP ESSER Component	Extent to which district has adopted policies and description of policies adopted to ensure continuity of services	How do adopted policies reflect RSSL guiding principles?
Coordination with local public health authority(ies) including Tribal health departments		

Isolation Plan

Please provide a link to the district's plan to **maintain health care and space** that is appropriately supervised and adequately equipped for providing first aid, and **isolates** the sick or injured child. ([OAR 581-022-2220](#)). If planning for this space is in your communicable disease management plan for COVID-19, please provide the page number.

Mitigation Strategies

School administrators are required to **exclude staff or students from school** whom they have reason to suspect have been exposed to COVID-19. ([OAR 333-019-0010](#); [OAR 333-019-0010](#))

Please complete the table below to include the extent to which the district has adopted policies and the description of each policy for each mitigation strategy. In developing the response, please review and consider the [CDC guidance](#) and the [RSSL Resiliency Framework](#) for each mitigation strategy. Additional documents to support district and school planning are available on the [ODE Ready Schools, Safe Learners website](#).

Advised mitigation strategy	Extent to which district has adopted policies and description of policies adopted	How do adopted policies reflect RSSL guiding principles?
COVID-19 vaccinations to educators, other staff, and students if eligible		

Advised mitigation strategy	Extent to which district has adopted policies and description of policies adopted	How do adopted policies reflect RSSL guiding principles?
<p>Universal and correct wearing of face coverings</p>		
<p>Physical distancing and cohorting</p>		

Advised mitigation strategy	Extent to which district has adopted policies and description of policies adopted	How do adopted policies reflect RSSL guiding principles?
Ventilation and air flow		
Handwashing and respiratory etiquette		

Advised mitigation strategy	Extent to which district has adopted policies and description of policies adopted	How do adopted policies reflect RSSL guiding principles?
Free, on-site COVID-19 diagnostic testing		
COVID-19 screening testing		

Advised mitigation strategy	Extent to which district has adopted policies and description of policies adopted	How do adopted policies reflect RSSL guiding principles?
Public health communication		
Isolation and quarantine		

Accommodations for Children with Disabilities

Please describe the extent to which the district has adopted policies related to appropriate accommodation for children with disabilities with respect to health and safety protocols. Please describe any such policies.

Updates to this Plan

To remain in compliance with ARP ESSER requirements, school districts must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review, and as appropriate, revise its Safe Return to In-Person Instruction and Continuity of Services Plan.
