school days.

Oregon target
100.00%

Early Intervention (EI)

A special education program for children from birth to age three,
who have developmental delays or a medical condition likely to
result in a developmental delay.

Early Childhood Special Education (ECSE)

A special education program for children age three to school age
with developmental delays and/or other disabilities that qualify
them for special education.

Individualized Family Service Plan (IFSP)

A plan for special services and special education for infants,
toddlers, and children ages three to five with developmental
delays.
