63 District Summary

Serving the Counties of Linn, Benton, Lincoln, and Beyond!

Linn Benton Lincoln Education Service District (LBL) serves educational agencies, districts, and schools across the state with high-quality services and programs that are practical, reliable, and economical. LBL has a distinguished reputation for supporting educational excellence and equity, working cooperatively with educators and educational agencies, and effecting productive solutions that help schools, teachers, students, and families meet Oregon's educational goals.

LBL is one of 19 Education Service Districts in Oregon that serve all 36 counties. The purpose of Oregon's Education Service Districts is defined in Oregon Revised Statute (ORS) 334.005. Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing equitable education opportunities for all of Oregon's public school students.

LBL comprises 12 component districts and 96 schools with approximately 34,512 students in Linn, Benton, and Lincoln counties. LBL also serves students and districts elsewhere in Oregon through grants and contracts. Its governance structure includes a seven-member Board.

Education Service Districts and Oregon Revised Statutes

Education Service Districts (ESDs) originated in Oregon's first laws establishing a general system of common schools. Through the history of Oregon's regional services system, local governances and state statutes concerning the mission of ESDs has remained somewhat constant: "Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing excellent and equitable educational opportunities for all Oregon public school students."

ORS 334.005 defines the mission, purpose, and accountability of an ESD. The mission of education service districts is to assist school districts and the Department of Education in achieving Oregon's educational goals by providing equitable, high quality, cost-effective, and locally responsive educational services at a regional level.

An education service district plays a key role in:

- Ensuring an equitable and excellent education for all children in the state;
- Implementing the Oregon Educational Act for the 21st Century;
- Fostering the attainment of high standards of performance by all students in Oregon's public schools;
- Facilitating interorganizational coordination and cooperation among education, social service, health care, and employment training agencies.

Per ORS 334.175, Education Service Districts must provide regionalized core services in the following areas:

- Programs for children with special needs, including but not limited to special education services and services for at-risk students.
- Technology support for component school districts and the individual technology plans for those districts, including but not limited to technology infrastructure services, data services, instructional technology services, and distance learning.
- School improvement services for component school districts, including but not limited to:
 - 1.** Services designed to support component school districts in meeting the requirements of state and federal law;
 - 2.** Services designed to allow the education service district to participate in and facilitate a review of the state and federal standards related to the provision of a quality education by component school districts;
 - 3.** Services designed to support and facilitate continuous school improvement planning;
 - 4.** Services designed to address schoolwide behavior and climate issues;
 - 5.** Services designed to support career and technical education.
- Administrative and support services for component school districts, including but not limited to services designed to consolidate component school district business functions, liaison services between the Department of Education and component school districts, and registration of children being taught by private teachers, parents, or legal guardians pursuant to ORS 339.035.

An education service district may provide entrepreneurial services to public and private entities and to school districts that are not component school districts of the education service district with the approval of the constituent districts through their approval of the Local Service Plan.

Equity Lens

We believe that every student, staff and community partner should be treated equitably. Our focus is to eliminate disparities among all groups.

Equity:

Just and fair inclusion. An equitable society is one in which all can participate and prosper to allow all to reach their full potential.

Purpose:

Provide a common vocabulary and protocol to produce and evaluate policies, practices, processes, programs, services or decisions that result in more equitable outcomes.

Procedure:

Consider the following four questions for any policy, practice, process, program, service or decision::

1

Who Does It Impact?

Who are the groups affected?
What are the potential impacts on these groups?

2

Who Has the Opportunities and is Included and Who is Not?

Are existing disparities ignored or worsened?
Are there unintended consequences?

3

Whose Voices Are at the Table?

Have we intentionally involved our partners?

4

Can We Do About It?

How will we mitigate the negative impacts and address the barriers identified above?

Non-Discrimination: LBL ESD prohibits discrimination and harassment on any basis protected by law, including but not limited to an individual's perceived or actual race, color, religion, sex, sexual orientation, national or ethnic origin, marital status, disability, veterans status, or the protected status of any other person with whom the individual associates

GOALS & BOARD OBJECTIVES

Board Performance Objective 1

Pursue innovation through service delivery, equitable resource allocation, evaluation and improvement, staff development, and use of technology.

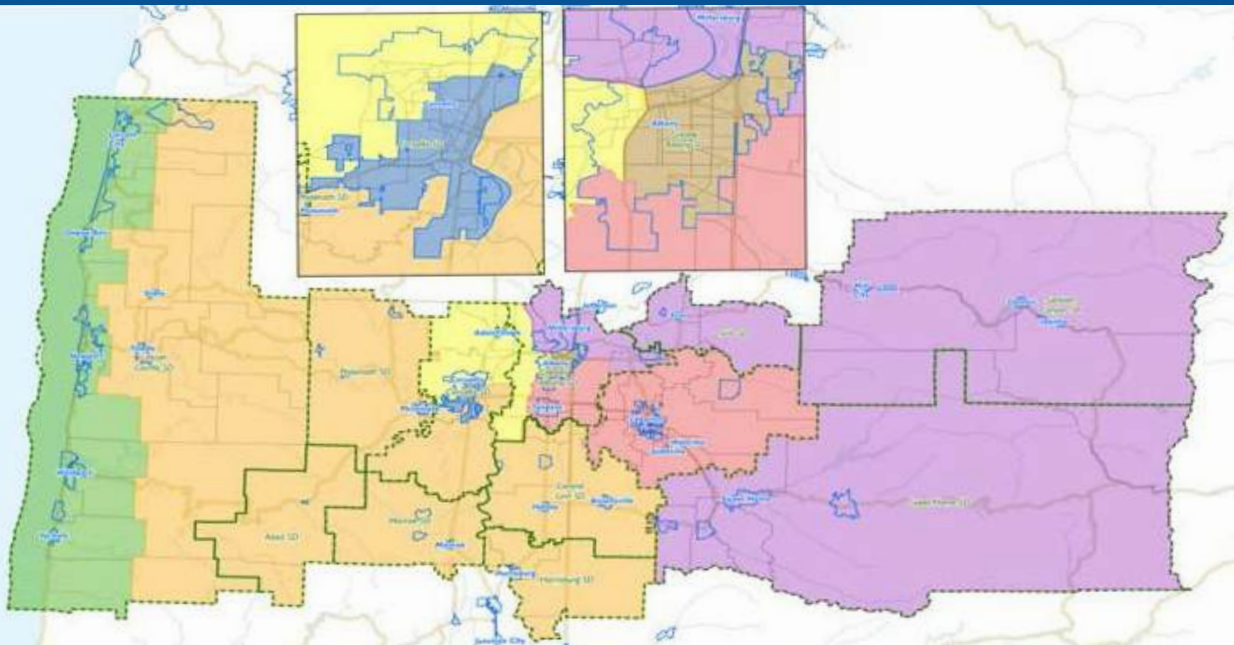

Board Performance Objective 2

Continue to enhance collaborative relationships and effective communication with LBLED employees, school districts, and communities.

Board Performance Objective 3

Prudently and sustainably manage fiscal resources. Maintain a forward looking financial plan and anticipate and accommodate economic changes.

LBL Planning Calendar for Developing & Approving Resolution Services

September/October

Visit and interview districts to discuss service level satisfaction, LBL performance measures, and emerging needs. Survey electronically as needed.

October/November

Present VCSA draft resolution Local Service Plan for the next biennium. Review/revise the Local Service Plan as described under ORS 334.175(1) with input from Superintendents.

November

VCSA Superintendents finalize the Local Service Plan services and agreements resulting in recommendation of the LBL Local Service Plan to the LBL Board of Directors and component school districts.

January

The recommended LBL Local Service Plan will be provided to the LBL Board of Directors for adoption for the biennium. By statute, the Local Service Plan must be approved by districts each year.

February

After being adopted by the LBL Board of Directors, the Local Service Plan is approved on or before March 1 by resolution of two-thirds of the component school districts representing more than 50% of the students in the LBL region. Adoption by component district boards shall occur before March 1.

March

Notify LBL staff of changes in service requirements as established in the Local Service Plan.

April/May

LBL acquires the necessary staffing, equipment, and technology and other resources to deliver the services required or services are brokered through other sources.

Resolution Services

Enrollment for Year 1 of the 2023-2025 Biennium

Tier 2 funds are allocated based on the average of the last 3 years of actual ADMw.

ADMw from the previous three years will be used. This information is provided below.

3 Year Actual ADMw and Allocation of Tier 2 Funds for FY24/25

District	2020-2021 ADMw	2021-2022 ADMw	2022-2023 ADMw	3 Year Average	% of Allocation
Alsea	960	1,120	613	898	2.1%
Central Linn	765	724	715	734	1.7%
Corvallis	7,482	7,439	7,407	7,443	17.1%
Greater Albany	10,615	10,622	10,596	10,611	24.4%
Harrisburg	925	942	972	946	2.2%
Lebanon	4,420	4,657	4,707	4,595	10.6%
Lincoln County	6,449	6,549	6,489	6,496	15.0%
Monroe	507	513	539	520	1.2%
Philomath	1,787	1,847	1,896	1,843	4.2%
Santiam Canyon	5,607	3,831	3,344	4,261	9.8%
Scio	3,053	2,313	2,025	2,464	5.7%
Sweet Home	2,512	2,603	2,738	2,618	6.0%
Total	45,082	43,161	42,043	43,429	100%

The amount is rounded to the nearest tenth of a percentage, not less than 1%. This allows LBL and its component school districts to stay within the constraints of the agreement, yet provide flexibility in the use of funds.

Resolution Service Funding and Allocation

Funding for LBLESD is governed by ORS 344.177, which mandates that at least 90% of resolution funds be spent directly on services or programs for component school districts. The allocation of these funds follows a two-tier system:

Tier 1 Budget

The LBLESD superintendent proposes the annual budget to cover the Tier 1 Services listed in the Local Service Plan. The proposed budget is discussed with the VCSA superintendents, who may request changes to the proposed amounts with the understanding that certain funding decisions may impact service levels. VCSA superintendents ratify total Tier 1 budgetary expenditures with approval requiring a two-thirds vote from districts representing over 50% of the students final ADMr based on the most recently published fiscal year as provided by the Oregon Department of Education. In the absence of a ratified budget, the Tier 1 budget will roll forward from the prior school year, adjusted for inflation. Payroll, software, and travel (mileage) expenses will reflect direct inflationary factors, while all other budgeted expenditures will include a 4.00% inflation adjustment. Any unused Tier 1 funds roll over into Tier 2 for the next school year.

Tier 2 Distributions

Remaining funds are distributed to districts based on their proportionate share of a trailing 3-year ADMr, with a minimum distribution of 1%. This distribution includes unutilized Tier 1 funds from the prior school year. Districts can carry forward unused Tier 2 funds indefinitely.

Estimates of available resolution funding will be provided in April. All funding and distributions are approved and governed by the LBLESD Board of Directors and must be appropriated before spending.

Tier 1 Resolutions Services

Tier 1 includes services that are essential to all districts, ensure equitable access, and/or benefit from economies of scale. The ESD is responsible for managing the service distribution of each program to ensure all 12 districts receive equitable access. Approval to add or remove a Tier 1 service requires a two-thirds majority vote from the districts, representing over 50% of the students, based on the final ADMr from the most recent fiscal year as reported by the Oregon Department of Education.

Tier 1 services are intended as long-term commitments to students and staff in all Component Districts, providing the ESD stable funding and operational consistency, allowing for the most efficient and effective delivery of services. While services can be reviewed annually, they are generally approved on a biennial basis. If a service is canceled, any existing long-term contracts or commitments made by the ESD to support that service will be covered by the Tier 1 budget until the ESD can legally and ethically exit those agreements.

Additions to Tier 1 services may be subject to the approval of the LBLESD Board of Directors.

Audiology Screening

PROGRAM

**Cascade Regional
Inclusive Services**

CONTACT

Angie Greenwood

PROGRAM
INFORMATION

Mass hearing screenings are provided to all kindergarten, 1st, and 2nd grade students who attend public schools in the LBL ESD region through Tier 1 services. In addition, a school team may screen students at any point throughout their education, with input and discussion from both parents and the team.

If a student fails two hearing screenings, the school team may refer the student to an audiologist for further audiology testing. The testing may include otoscopy, acoustic immittance testing, standard air and bone conduction testing, speech audiometry, and otoacoustic emissions.

Audiology booth appointments are available in Albany or Newport for these evaluations.

Enhancing education through collaboration

Augmentative and Alternative Communication (AAC)

PROGRAM

**Cascade Regional
Inclusive Services**

CONTACT

Angie Greenwood

PROGRAM
INFORMATION

Students who demonstrate significant difficulty in communication and require a specialized system to support their education may be referred to the ESD's Augmentative and Alternative Communication (AAC) Specialists. The goal of these specialized Speech-Language Pathologists (SLPs) is to support school staff in creating communication opportunities for the student throughout the school day.

AAC Specialists are responsible for identifying and trialing various communication platforms from LBL ESD's lending library to help teams determine which system would be most appropriate for the student. Once the district procures the appropriate platform, the AAC specialist will continue to support school-based teams through monthly regional training and coaching.

Services provided by Tier 1 AAC Specialists to eligible students can be billed to Medicaid, provided that a cost-sharing agreement is in place between the district and the ESD.

Early Childhood Special Education Evaluation

PROGRAM

Early Intervention/Early Childhood Special Education

CONTACT

Autumn Belloni, Tina Linn, Catie Dalton and Kimberly McMutcheon-Gross

PROGRAM
INFORMATION

Early Intervention-Early childhood Special Education (EI/ECSE) specialists provide evaluations for students from birth to age five who are suspected of having a developmental delay or disability, including challenges in how they see, hear, talk, think, or move.

Evaluators include developmental specialists, speech-language pathologists, autism specialists and other specialists from the Cascade Regional Inclusive Services program. Families, child care providers, preschool providers, physicians, and community agencies can all refer children to the program for evaluation.

Evaluations for children under the age of three must be completed within 45 calendar days from referral, whereas evaluations for children ages three to entrance to kindergarten must be completed within 60 school days.

Children who are found to be at risk for or have a developmental delay, or are experiencing a disability under a categorical eligibility are provided an Individualized Family Service Plan (IFSP). An IFSP is a plan of services individualized for each child and family and includes the child's abilities and needs, services for the child and family, family outcomes related to the child's needs, and goals and objectives reflecting both the child's developmental and special education needs. The services provided to children following eligibility are provided through federal and state grant funds.

Mild/Moderate Occupational Therapy (OT)

PROGRAM
**Cascade Regional
Inclusive Services**

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Occupational therapy services in the educational setting focus on adaptations and functional skills a child needs to safely access the educational environment and make progress in their areas of specially designed instruction.

Therapists provide evaluation in the area of occupational therapy and support students with mild or moderate OT needs by consulting and collaborating with the student's educational team.

Services provided by the school-based OT are driven by the student's Individual Family Service Plan (IFSP) or Individual Education Program (IEP) and can include a variety of activities and interventions, including direct consultation, coaching, modeling, making adaptations to the environment or tasks, and providing in-service training to staff. Consultation also occurs through attendance at IFSP or IEP team meetings, the implementation of accommodations and providing support for any specialized equipment that the student may need.

Services provided by Tier 1 Occupational Therapists to eligible students are able to be billed to Medicaid if a cost-sharing agreement is in place between the district and the ESD.

Mild/Moderate Physical Therapy (PT)

PROGRAM
**Cascade Regional
Inclusive Services**

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Physical therapy services in the education setting focus on ensuring safety and accessibility across school environments so students with gross motor challenges can thrive and learn while at school.

Therapists provide evaluation in the area of physical therapy and support students with mild or moderate PT needs by consulting and collaborating with the student's educational team, developing classroom protocols and promoting student self-care.

Services provided by the school-based PT are driven by the student's Individual Family Service Plan (IFSP) or Individual Education Program (IEP) and can include a variety of activities and interventions, including direct consultation, coaching, modeling, making adaptations to the environment or tasks, and providing in-service training to staff. Consultation also occurs through attendance at IFSP or IEP team meetings, the implementation of accommodations and providing support for any specialized equipment that the student may need. Equipment available for short-term loan includes positioning equipment, recreational equipment, and mobility aids.

Services provided by Tier 1 Physical Therapists to eligible students are able to be billed to Medicaid if a cost-sharing agreement is in place between the district and the ESD.

Severe Disability Services

PROGRAM

**Special Education and
Evaluation Services**

CONTACT

Sonya Hart

PROGRAM
INFORMATION

The Severe Disability program provides support to districts through financial compensation, staff development, consultation, and access to materials for students who are experiencing a significant impact from intellectual disabilities. Services are delivered by a program consultant and include several key resources.

These resources include the coordination of lending library purchases and the distribution of a list of available materials. The program also offers technical assistance and materials to support annual district goals for services to students with severe disabilities. Additionally, the consultant conducts monthly district visits to observe programs and provide consultation.

Severe Disabilities consultant staff serve as regional Qualified Trainers for Extended Assessment, offering training and assistance to district Extended Assessment evaluators. Consultants can also provide support on instructional programming for students with moderate to severe intellectual disabilities. This includes access to an extensive lending library that targets the educational needs of these students.

(Additional document linked here will provide further explanation of how LBL transits funds for this service.)

Sonya Hart

PROGRAM
INFORMATION

The Special Education and Evaluation Services (SEES) program offers a broad range of support to students and districts. These services include system development for general education interventions in academics and behavior, evaluations for Special Education identification, Multi-Tiered Systems of Support (MTSS) consultation and training, and professional development on research-based initiatives. The program also provides guidance on special education law and current practices in evaluation.

In addition to these core services, districts receive support and technical assistance with programming for students with severe disabilities, as well as transition services.

The SEES team is composed of school psychologists, speech-language pathologists/assistants, educational consultants, and Spanish interpreters/translators, all working together to provide comprehensive support to districts and students.

Student Information System (SIS) Synergy

PROGRAM
**Technology and
Information Services**

CONTACT
Tim Jones

PROGRAM
INFORMATION

LBL provides comprehensive support for the Synergy Student Information System, offering services such as help desk assistance, training, hosting, and system maintenance. LBL handles system updates, troubleshooting, and customizations like creating new reports or modifying screens.

While LBL manages these higher-level functions, districts retain significant responsibilities for day-to-day operations. These include managing user accounts and permissions, deciding how to utilize software features, maintaining accurate and timely data entry, providing basic IT support to end users, and training staff on internal processes. This division of responsibilities ensures that districts have control over their data and operational decisions, while benefiting from LBL's technical expertise and system-wide support. The collaboration between LBLESD and districts aims to maximize the effectiveness of the Synergy system in meeting educational and administrative needs.

Tier 2 Resolutions Services

Tier 2 services are designed to meet the specific needs of individual districts. While they aim to achieve economies of scale where possible, these services may also be unique to a particular district. Tier 2 services are selected by district superintendents and approved by the ESD superintendent.

Service selections and quantities should be made by May 1 where possible. Once the ESD commits to a district's approved Tier 2 service, that service cannot be canceled prior to the end of the following school year unless the ESD can exit all associated cost obligations. If the total cost of a district's Tier 2 service selections exceeds their funding allocation, the ESD will bill the district for the excess.

Prices for Tier 2 services are standardized where possible, though specific pricing may be necessary based on the nature of the service.

Districts may choose to allocate up to 50% of their annual Tier 2 funds, including carryforward balances, for services not provided by the ESD. These transits are only allowed for services not currently offered by the ESD. The LBLESD Superintendent may grant limited exceptions to allow transits involving ESD services where the ESD encounters barriers to providing that service but cannot exceed the total limitation on transit amounts.

Augmentative and Alternative Communication Support (AAC)

PROGRAM
**Cascade Regional
Inclusive Services**

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Purchasing additional AAC time allows districts to utilize AAC Specialists to provide direct instruction to students beyond the Tier 1 evaluation and systems support. It may also provide support to districts with needs larger than their Tier 1 allocation. Districts may also use Tier 2 or fee-for-service AAC Specialists to write funding reports to assist districts/families in obtaining insurance funding for AAC systems (e.g. eye gaze, limited mobility systems, mounting systems, etc.)

Since billing Medicaid for SLP services is not incorporated into the Tier 1 agreement, if a district wishes to bill Medicaid for reimbursement of services that were provided by an AAC specialist or Assistant who is employed by the ESD, a cost-sharing agreement must be put in place through Tier 2.

Autism Consultation

PROGRAM
**Cascade Regional
Inclusive Services**

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

The focus of Autism services provided through the Regional Inclusive Services (RIS) grant is on providing trainings and professional development to build capacity in school-based staff so they can better support students with autism. In addition, the RIS grant includes a limited number of hours that can be used for on-site coaching, attending specific IEP meetings and/or addressing individual students' needs related to autism.

If a district's need for autism support reaches beyond what is provided through the RIS grant, additional Autism Consultant time is available for purchase through this Tier 2 service. Ideas for utilizing Tier 2 Autism Consultant time include providing direct or indirect services to students with autism, on-site partnering with district staff on a more regular basis, training staff to work with individual students in their daily settings, developing and implementing individual data collection systems, classroom diagnostics, restructuring and resetting and/or providing support for students who demonstrate complex behavior needs.

Sonya Hart

PROGRAM
INFORMATION

Speech Language Pathologists (SLPs) provide speech and language services through Tier 2 as a direct service for districts to address students with a speech/language need. Services include improving communication skills for students coping with difficulties in learning to listen, speak, read and/or write.

SLPs may case manage students who are identified as eligible for Speech-Language Impairment (SLI) and serve on intervention teams to help determine appropriate next steps for students who may have speech and/or language difficulties. SLPs may work with students under all disability categories and provide services such as specially designed instruction, related services, and/or consultation. These services may include articulation, receptive language, expressive language, social language, fluency, and voice.

With a cost-sharing agreement in place between the District and LBL ESD, a Tier 2 SLP may be eligible to bill for Medicaid reimbursement.

Our Engineering Support Services provide comprehensive assistance for your district's local and wide area networks, focusing on robust system maintenance, implementation, and server infrastructure management. Our team of skilled technicians and engineers collaborates closely to troubleshoot issues, patch systems, and perform critical updates, ensuring that your technology remains secure and up to date.

We excel in configuring network devices and optimizing server infrastructure to enhance performance and reliability. Our expertise extends to maintaining and consulting on essential network equipment—including switches, routers, firewalls, and access points—while implementing best practices for application delivery and data storage.

In addition to our core services, we offer application and website hosting, data backups, and data center design and implementation, providing a holistic approach to your district's IT needs. Our commitment to systems updates and proactive configurations ensures that your technology environment is not only secure but also adaptable to evolving educational demands.

With a strong focus on security, service reliability, and long-term sustainability, LBL empowers districts to effectively navigate the complexities of modern technology. Let our Engineering Support Services be your trusted partner in optimizing infrastructure and supporting end users for a brighter, more connected educational future.

Oregon Routes Student Transportation

PROGRAM
Business Services

CONTACT
Rocco Luiere

PROGRAM
INFORMATION

Oregon Routes is a supplemental drivers program created to address the driver shortage in Oregon and ensure reliable transportation for children who are not served by regular bus routes. By connecting students with available drivers, the program helps establish a safe and efficient transportation system that benefits both students and the community.

One of the key features of Oregon Routes is its unique driver-student pairing system. This approach matches drivers with students based on location or specific needs, ensuring that each trip is as efficient and convenient as possible. In some cases, drivers may already be on a route to a destination, making the process even more streamlined for everyone involved.

The program also includes an easy-to-use portal for school districts to input student information. This platform simplifies the administrative process, making it easier for districts to manage and coordinate transportation services for students in need.

FUNDING GRANTS

EI/ECSE Grant

PROGRAM

**Early Intervention/Early
Childhood Special Education**

CONTACT

**Autumn Belloni, Tina
Linn, Catie Dalton and
Kimberly McMutcheon-
Gross**

PROGRAM
INFORMATION

Early Intervention/Early Childhood Special Education (EI/ECSE) services are provided through a grant awarded by the Oregon Department of Education to support eligible children, birth to five years old. These services are delivered by a team of professionals, including developmental specialists, speech-language pathologists, inclusion specialists, instructional assistants, and regional staff.

EI/ECSE staff work closely with families and young children who have developmental delays or disabilities, offering consultation and instruction in a variety of settings through an Individualized Family Service Plan (IFSP). The primary focus of Oregon's EI program is to build the family's capacity to support the special needs of their young child.

EI services are available for children from birth to three years who have developmental delays in areas such as cognitive, physical, communication, self-help, or social skills. Services are also provided to children with medically diagnosed conditions that are likely to result in developmental delays later in life. Most EI interventions are offered within the child's natural environment—integrating into everyday routines, activities, and places.

For children aged three to kindergarten entry, ECSE services are available for those who qualify due to a developmental delay or categorical disability. Children in ECSE typically have disabilities that significantly affect their developmental progress and their ability to access education. These services are provided in community preschools, childcare facilities, and structured classrooms, and are tailored to each child's unique special education needs.

The focus of the ECSE program is to teach the child the necessary skills to address developmental delays, prepare them for school, and incorporate intervention strategies into their daily routines.

Regional Inclusive Services Grant

Cascade Regional Inclusive Services

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Regional Inclusive Services are funded through a grant awarded by the Oregon Department of Education. This grant enables LBL ESD to collaborate with local school districts, Early Intervention, Early Childhood Special Education (EI/ECSE) programs, families, and community agencies to provide specialized educational support for children with low-incidence disabilities.

These disabilities include autism, deaf/hard of hearing, deafness, blindness/visual impairment, orthopedic impairment, and traumatic brain injury. These conditions occur at such a low rate in the general population that it would be challenging for individual districts to provide the full range of services these students require.

While the primary responsibility for each child always remains with the local school district, Regional Inclusive Services offer a range of support for students who meet eligibility criteria. The specific services provided by Regional Inclusive Services staff vary depending on the disability category and are governed by the terms of the grant itself.

Services provided may include Specially Designed Instruction, Related Services, Supports to School Personnel, and/or Accommodations/Modifications. These services are implemented for each individual child or student in various settings through an Individualized Family Service Plan (IFSP) for children ages birth through 5, or an Individualized Education Program (IEP) for students in Kindergarten through age 21.

FUNDING GRANTS

Long Term Care and Treatment Grant

PROGRAM

Long Term Care and Treatment

CONTACT

Bryan Starr

PROGRAM
INFORMATION

The Long Term Care and Treatment (LTCT) contract from the Oregon Department of Education (ODE) funds educational services for children and youth in residential and day treatment facilities across several specialized schools. These programs serve students with significant emotional and behavioral needs in collaboration with mental health providers.

Farm Home School

Located at the Trillium Family Services Corvallis Campus, this school serves middle to high school students in both residential and day treatment, focusing on mental health services provided by Trillium Family Services.

Wake Robin School

This program operates on the same campus as the The Farm Home School, offering transitional educational services through ODE. It serves K-12 students, with Trillium providing mental health care and LBL ESD delivering educational support.

Old Mill Center Classroom

Based at the Old Mill Center for Children and Families in Corvallis, this day treatment program offers education primarily to younger students (K-2), with mental health services from Old Mill.

Each program aims to support students academically while addressing complex emotional and behavioral challenges through specialized education and treatment partnerships.

Capacity Building Implementation Support Services

PROGRAM

Strategic Partnerships for Student Success

CONTACT

Steve Martinelli

PROGRAM
INFORMATION

These support services are coordinated through the Strategic Partnerships for Student Success Program. Our team of implementation coaches focus on building capacity with districts for equitable systems to better meet the instructional and social, emotional and behavioral (SEB) health needs of their students, staff and families. We collaborate with educators to build their instructional and SEB practices and systems through the use of data and strategies integral to improvement science. We also coach educators to transform instructional and SEB knowledge into practices to implement with students, staff and families.

Our Capacity Building Implementation Support Services include:

- Facilitating needs assessment focusing on implementation readiness, progress monitoring and program evaluation for existing and/or new instructional or SEB systems and practices.
- Leveraging partnerships with local, regional, state and national organizations to communicate the latest information in regard to instructional and SEB curriculum, initiatives and grants, and professional development.
- Sharing critical information updates on the latest research and trends related to evidence-based or field-tested practices and programs for instructional and SEB systems including easy-to-implement strategies to share with school leaders and staff.
- Convening collaboration and learning opportunities for school and district staff to support the ongoing implementation of instructional and SEB systems.
- Training and coaching district and school leaders through professional learning opportunities with customized follow-up support to guide the implementation process of instructional and SEB systems.
- Providing implementation technical assistance for existing and/or new instructional and SEB systems in schools and districts as well as supporting adaptations to these systems to implement in a variety of learning environments.

Each biennium the SPSS Program and ESD leadership will collaborate with district Superintendents to complete a needs assessment process that is informed by regional district data related to their SIA/Integrated Program Plans. This process includes convening an advisory workgroup of Superintendents and SPSS coaching staff to review regional data, assess current needs, prioritize focus areas, and recommend an array of best-practice strategies that can be used to support the implementation of instructional or SEB systems and practices. This information will inform the ESD's Statewide Education Initiatives Account Grant (SEIA) application along with the sourcing of other regional or state opportunities to help fund and/or deliver these capacity building implementation support services. **Link to current SEIA Grant Plan.**

Instructional Mentor Program Collaboration with WREN

PROGRAM

**Strategic Partnerships
for Student Success**

CONTACT

Steve Martinelli

PROGRAM
INFORMATION

The Instructional Mentor Program Collaboration is funded through a combination of funds from the ESD's SEIA Grant and WREN (Western Regional Educators Network), and it is coordinated through the Strategic Partnerships for Student Success Program.

The goal of the Instructional Mentor Program is to provide the tools, resources, and training necessary to support mentors at the highest level, ensuring they are equipped to help their mentees successfully launch their careers. The collaborative nature of this program allows mentors to gain professional knowledge not only through training and resources but also through the expertise of other mentors in the region. A key focus of the program is supporting the social and emotional well-being of educators at its core.

In response to feedback from both mentors and new teachers, and with the goal of helping novice educators grow in their professional practices, this program also offers ongoing professional development. This includes training on behavior management, as well as strategies for creating a positive classroom climate, establishing routines, and implementing effective structures.
