Please join us for **LBL ESDs Mentoring & Coaching Collaborative**. We will meet throughout the year to connect, learn together, and collaborate to support our teachers in positively impacting student learning.

*Facilitated by Tami DuFault-Toomb and Cindy Drouhard, participants will engage in strategies to support mentoring conversations, authentic reflection, and collaborative problem solving. Sessions will be centered around Kate Murphy's **You're Not Listening**. Participants will be responsible for obtaining their own copy of *You're Not Listening*.*

This **in-person** opportunity is intended for educators supporting improvements in instruction such as mentors, TOSAs, and instructional coaches.
