As per OAR 581-21-026, I certify that I am a qualified and neutral tester with regard to the aforementioned student.

Tester's Signature: _____

Parents

Except in specific situations, students involved in home schooling need to be tested by August 15th following the completion of the 3rd, 5th, 8th and 10th grade year.

Linn Benton Lincoln ESD requests applicable test results from all home schooled students. Results are due to the ESD by September 30th of the designated testing year.

For additional testing information, contact the LBL ESD Home School Program at (541) 812-2687, or homeschool@lblestd.k12.or.us.

Tests acceptable for the 2017-18 school year:

- TerraNova 2nd Edition/CAT 6
- TerraNova 3rd Edition
- Stanford Achievement 10th Edition
- Iowa Test of Basic Skills (ITBS) and Iowa Test of Educational Development (ITED)

Public school tests such as the OAKS test or Smarter Balanced test are not acceptable for home school testing.

Testing must include the basic battery, which includes reading, language and math. The composite national percentile score of the basic battery is the score to be reported to LBL
